GUIDED PRAYER

Leader: Lord, we are people who want instant answers to all our questions.

People: We want to know how everything is going to work out throughout all of our lives.

Leader: So we pose questions in which we do not necessarily seek answers but rather entrap you into giving us what we want.

People: Help us understand the broader picture - the scope of your faithfulness and love for us.

Leader: Remind us of all the times when you have lifted us and brought us to new opportunities for learning and growing.

People: Let us place our trust in you totally, without reservation, for you are indeed faithful and just.

Leader: As we have brought our prayers before you for our loved ones and for situations in the world in which pain and anger dominate, let us place our trust in your response and your healing love.

All: Give us courage that our faith will shine Your light to those who struggle; that our lives will bear the love you have lavished on us, and be a living witness of Your great faithfulness...
